AVN nomination for Shots Video's Max Hardcore

Las Vegas – Max Hardcore and Shots Video have been nominat-

lowed in his footsteps but have never been able to reach his

Max Hardcore and the management from Shots Video

ed in the category "Best continuing Video Series" for their film "The Max Faktor". Max is the creator of extreme and hard sex. There are many who have fol-

lowed in his footsteps but have never been able to reach his standards. Max is and remains the original. This was proven by the AVN nomination and also the Sign Award in the category "Best American Label" at the 9th Venus. Shots Video has released 13 titles in this series so far. Shots Video distributes the European versions which are prohibited in the USA because they are too hardcore. They can however be sold in Europe.

VIMPEX Gay Media gets off the ground

Hagen – The VIMPEX Gay Media is a newly founded production and distribution company in the gay sector, based north of Hamburg. The company is characterized by a dynamic team, which has year long branch experience. Well-known labels such as Cadinot, Ikarus Entertainment, Load, YMAC/AVI

sons" from the "Tainted Twinkx" series is now available.

VIMPEX focuses on both the distribution of well-known gay labels and their own production: the first title from the series "Tainted Twinkx" is available with immediate effect

Group und Birlynn Productions are distributed by VIMPEX as from January 2006. They also have their own high quality productions from renowned producers from the Rolf Hammerschmidt school. The first production "Bare Les-

sons" from the "Tainted Twinkx" series is now available. Twelve actors in seven full action bareback scenes, 125 minutes long, are featured. All titles are available with two covers in a box. VIMPEX also provides leaflets for each film as sales support for the trade.
